2688g Giant Curled Andromeda

See Section 1

Pansy growers will find all the "good things" in Pansies that are to be obtained either at home or abroad in this list. All the latest novelties as well as all the new and standard varieties are included, many of which cannot be had elsewhere. This stock is grown and seeded by over twenty pansy growers and specialists and therefore should not be compared with cheap imported seed from continental dealers, who supply domestic commission houses. Such seed is unfit for florists' use.

**2632. New York Giant Market Blend.**—A mixture of robust, hardy, free flowering giants of fine colors, with a good percentage of yellow, blotched and light grounds so popular and in great demand around New York City. While this blend will not produce the variety of color, and flowers of as great substance as our New York Fancy Show Blend No. 2710, it is a very fine mixture for florists who need a first-class stock at moderate price. For types of bloom see cut on front cover. Price of seed prepaid, packet of 125 seeds, 7c. Trade packet, 2,000 seeds, 50c. Trade packet, 5,000 seeds, \$1.00. Ounce, \$2.50. **2709. New Buttercup Blend.**—This is an extra mixture of yellow and golden flowering kinds. We guarantee that every plant will produce flowers with yellow or gold in them—from solid yellow in different shades to spotted, marbled, blotched and banded flowers in fire and gold. Price of seed, prepaid, packet of 125 seeds, 8c. Trade packet, 2,000 seeds, 60c. Trade packet, 5,000 seeds, \$1.20. Ounce, \$3.00. **2710. New York Improved Fancy Show Blend.**—On page 2 we illustrate types found among the 100 or more subjects, selected from all classes and races at home and abroad, and which are combined in this blend. Where a grand, showy mixture is desired, covering the widest range of colors and variations in extra substance and perfect form, we recommend this as an ideal mixture that cannot be surpassed at double the price. We are adding new colors and markings each season. Packet of 125 seeds, 10c. Trade packet, 2,000 seeds, 80c. Trade packet, 5,000 seeds, \$1.60. Ounce, \$4.00. **2737. Prize Medal Blend.**—We offer this mixture for strictly fancy exhibition stock. It is made up from seed saved from named prize awarded plants of rare blotched kinds, penciled and marked in greatest perfection, so desirable, yet so difficult to develop. It does not contain any selves or as great a variety of color as our Fancy Show Blend No. 2710, and is not intended for ordinary bedding or florists' sale stock, except those who have a critical trade and can get the proper prices. With ordinary care or with the masses, it will be a disappointment, but under special cultivation, mammoth round flowers of surpassing substance and quality will be produced. For types of bloom see cut on Page 5. Packet, 125 seeds, 30c. Trade packet, 2,000 seeds, \$2.40. Trade packet, 5,000 seeds, \$4.80. Ounce, \$12.00.
